1. The Town of Burns will answer calls for fire-fighting assistance outside its corporate limits to approved applicants, who have agreed to be bound by these policies and procedures.

2. No application will be accepted unless accompanied by the first annual payment based on .1% of the improvement value of the property. The minimum is \$150.00 and maximum is \$300.00.

The insuring agent or company shall be required to verify in writing that the applicant has insurance coverage for this service; and the company agrees to notify the city of any cancellation of this service.

Each application shall be limited to one (1) residence and one (1) accessory building provided it is reasonably accessible to fire-fighting equipment. The applicant shall pay a fee of \$50.00 for each additional accessory building to be covered.

Commercial buildings shall be covered the same as residences.

The deposit shall be non-refundable and non-transferable.
